Coppa (children online privacy protection action)

With regards to the assortment of private information from children under age 13 years, the Children's Online Privacy Protection Act (COPPA) puts parents in charge. The Federal Trade Commission, United States' consumer safety firm, enforces the COPPA Guideline, which spells out what providers of websites and online services should do to safeguard children privatizes and security online. For more Details [Click Here](#) or below link

<https://www.ftc.gov/enforcement/rules/rulemaking-regulatory-reform-proceedings/childrens-online-privacy-protection-rule>

Fair information practices

The fair Information Practices Rules form the backbone of level of privacy law in America (Florida) and the ideas they include have played an important role in the introduction of data protection laws and regulations around the world. Understanding the Good Information Practice Guidelines and how they must be implemented is fundamental to adhere to the various privation laws and regulations that protect private information.

To become consistent with Fair Information Methods we will need the following responsive action, should a data breach happen:

- We will inform you via email
- within 7 business days
- We will inform the users via in-site notification
- Within 1 working day

We also agree to the average person Redress Rule which requires that peoples have the right to legally go after enforceable privileges against data collectors and processors who neglect to adhere to the law. This theory requires not just that people have enforceable protection under the law against data users, but also that person have recourse to courts or federal government agencies to research and/or prosecute non-compliance by data processors.

Can-spam act

The CAN-SPAM Take action is a regulation that sets the guidelines for commercial email, establishes requirements for commercial announcements, offers recipients to have emails ceased from being delivered to them, and spells out hard fines for violations.

We accumulate your email to be able to:

- Send information, react to questions, and/or other demands or questions
- To maintain compliance with CANSPAM, we consent to the next:
- Not use untrue or misleading subject matter or email addresses.
 - Identify the concept as an advertisement in some realistic way.
 - Include the physical address of our site headquarters or business
 - Screen third-party e-mail marketing services for conformity, if one can be used.
